

# FAMU COLLEGE OF LAW

## March 24, 2017

201 BEGGS AVE, ORLANDO, FL 32801

The Algal Bloom Conference is presented by Florida A&M University College of Law NOAA Fellows. Presentations include an analytical discourse both scientifically and legally on algal blooms specific to Florida; the effects of climate change on harmful algal blooms; the deleterious consequences of factory farming on algal blooms; and new technology and legal tools for reducing harmful algal blooms.
